

Each year we commemorate the First Fleet consisting of eleven ships which set sail from Motherbank, Portsmouth, on Sunday 13th May 1787 and anchored in Botany Bay on the 18th of January 1788 and then landed in Sydney Cove on 26th January 1788.

Julian Lucas is a member of First Fleet Fellowship Victoria Inc. and will talk about the First Fleet, bringing to life his direct ancestors who were members of the First Fleet, one of whom was among the first Freemasons in Australia and who founded the Kingston district on the edge of Hobart.

Julian is a retired solicitor and an honorary member of the Law Institute of Victoria.
